

# Atlantic Soul - SONGS IN OUR SET

(remember this list is constantly being updated and we do tailor our repertoire to the function booked), ie. if it's a 60's girlgroup booking, you won't find any James Brown in there man!

We perform a staple set of songs for each function but tailor each and every wedding or function that we do which means the bulk of the set from function to function are the same, but we pull in certain songs with a certain flavour that are *different* from function to function. No two functions are ever the same and we pride ourselves on not just rattling out the same old stuff gig after gig. This keeps it both fresh for the audience and also keeps the band fresh and excited about what we play and perform.
